Daily Office Hours 9 am – 12 pm

# Points of Emphasis for Phase One

(April 13<sup>th</sup> – 24<sup>th</sup>)

You will work at your own pace and turn in the 20 question assignments as you finish them.

You will submit a picture of the assignment via Remind 101. Your pictures must include the entire assignment and ALL of your scratch work.

The 20 questions are graded for accuracy and then averaged with your original test grade for your new test grade.

# Points of Emphasis for Phase Two

(April 27<sup>th</sup> – May 8<sup>th</sup>)

This phase is replacing your EOC opportunity that was taken away.

You will submit a picture of the assignment via Remind 101. Your pictures must include the entire assignment and ALL of your scratch work.

The packet is graded for accuracy and then your score will be entered into the gradebook under the EOC category which is 20% of your entire grade.

# Resources Available

The blog has resources for you to access on each unit <https://lhshgeometry.weebly.com/>

I will host a Zoom call every Monday at 11 am to take questions and review key concepts

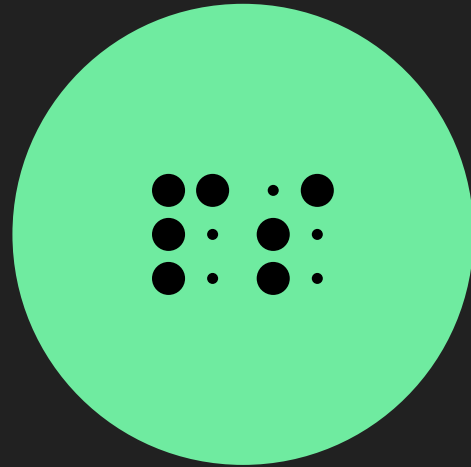

I have office hours Monday, Tuesday, Thursday, and Friday from 9 am – 12 pm. During this time we can schedule a Zoom meeting or chat via email/Remind101. This could be one-on-one or with a small group. Just shoot me a message via email ([erin.corbin@cobbk12.org](mailto:erin.corbin@cobbk12.org)) to set this up.

Vital information is sent on Remind 101 so make sure you are viewing these.

# What will we do the remainder of the year?

GEOMETRY FOCUSED  
SAT AND ACT PRACTICE

ALGEBRA II  
PREPARATION

# What about the one unit we missed?

- Our final unit in Geometry was on probability and statistics. This will be covered in Algebra II next year. We have met with the Algebra II teachers so they are aware of this and have set aside a few extra days next year to help compensate for this gap in your learning!

# Other Questions?

(Feel Free to Email or Remind 101 )

Coach Corbin
